

Pack / Mix Table

The Dual Packtable is specially designed to ease the process of packaging your product. Simply place your bag over the discharge horn, push product into the discharge horn until the remote mounted digital display reaches your desired weight. Remove the bag and start the process over. A clean open design allows easy access to all parts for the best cleaning ability.

Solidly Built to Perform for the Long Run

- 304 Stainless Steel Construction to withstand the toughest environments.
- Heavy Construction insures a strong long life.
- 6" Adjustable Legs for easy leveling of table.
- 2-Adjustable Scale Platforms to accommodate most bag heights.
- 2-SS Digital Scales with remote mount display.
